Re: RainedOut.com - Text Message / E-mail Alert Service

BASCOL is excited to announce a text messaging / e-mail alert service that we are going to be able to offer to BASCOL families. The service is called RainedOut and you would need to sign-up in order to receive alerts as a text message or email. BASCOL will use this service to notify families of a delay in the BASCOL program, BASCOL closing or any other important information.

This service is completely optional and you would need to sign-up via e-mail with a link or via text message with a keyword. Each BASCOL Site has its own Group Name, & Keyword. The group name is school specific, so when you sign-up, you would select your child's school and enter your sites unique keyword. (You can sign-up for more than one Group.)

On the back of this memo there are the specific directions to sign-up via e-mail, via text message and each sites specific keyword.

If you have any questions regarding this service, please contact the BASCOL Office at 315-622-4815.

Thank you.

-OVER-

**To sign-up via e-mail with link**

Go to: <https://www.rainedout.net>

Enter BASCOL in the Search Term Box, Once BASCOL comes up, select BASCOL and follow prompts.

**To sign-up via text message with Keyword**
