Re: RainedOut - E-mail Alert Service

BASCOL uses an e-mail alert service to notify BASCOL families of important information. The service is called RainedOut and you would need to sign-up in order to receive alerts as email messages. BASCOL will use this service to notify families of a delay in the BASCOL program, BASCOL closing or any other important information.

This service is completely optional and you would need to sign-up via e-mail with a link and keyword. Each BASCOL Site has its own Group Name, & Keyword. The group name is school specific, so when you sign-up, you would select your child's school and enter your site's unique keyword. (You can sign-up for more than one Group.)

On the back of this memo there are the specific directions to sign-up via e-mail and each sites specific keyword.

Please note: RainedOut is still offering text alerts, however subscribers will be charged \$7.30 per year to receive text notifications. E-mail notifications are free to receive.

If you have any questions regarding this service, please contact Michelle or Terry at the BASCOL Office at 315-622-4815.

Thank you.
