

Dear Parents,

Thank you for your patience as we update BASCOL's child care options in light of the variety of school district plans.

If your school is operating on an A/B schedule, we have the following options for care:

Before School – A days OR B days

After School – A days OR B days

Remote Days – A days, B days, AND/OR Wednesdays

Rates are being adjusted and will be available as soon as possible.

We have updated our late enrollment fee deadline to August 24, 2020, to allow families to receive and process schedule information from districts.

We recognize the importance of the Remote Work Days, and BASCOL will provide your child the time and space they need to complete their online schoolwork. **BASCOL staff will be able to provide some guidance during the remote learning time, but we cannot be responsible for teaching lessons or monitoring student progress.**

Full days will be a combination of virtual learning time and the engaging recreational activities that are part of our BASCOL program. They may include free play, movement, games, crafts, and other activities planned by our caring and experienced staff.

BASCOL is proud that we have offered child care for more than 27 years, and we have remained open during the COVID-19 crisis, following all guidance from the CDC and the Department of Health.

The following are some of the precautions we are currently taking to keep children, parents, and staff safe and healthy:

- Staff and participants engage in daily health screenings
- Staff wear face coverings at all times while in program
- Children will wear face coverings while in program
- Stable groups of children and staff are maintained as much as possible
- Materials and toys are used only by each stable group
- Staff engage in enhanced cleaning of program areas and materials
- Children and staff engage in increased hand washing

We continue to monitor guidance on best practices to ensure we are meeting and often times, exceeding all requirements.

Thank you, again, for your trust in BASCOL to provide a safe and enriching environment for your children.

Sincerely,

Natalie R. Scavone
