

# BASCOL cuts ribbon for new training room

BASCOL, Before and After School Child Care on Location Inc. has designed and renovated a new training area. BASCOL provides Central New York with the premier before and after school child care program for children in grades K-6 for over 23 years. BASCOL serves children and families at 17 locations in several school districts, in Onondaga and Oswego counties. School districts include: Central Square, Jamesville-Dewitt, Liverpool, Onondaga Central, Solvay, West Genesee and Westhill. The expansion of the staff training area was necessary to accommodate the expanding needs of the business.

"We are so excited to bring such a needed service to our community," said Candace Edwards, BASCOL's executive director. "Staff training and communication are the cornerstone of BASCOL's quality programming."

BASCOL's program focuses on core programming areas including art, dramatic play, fine motor skills, literacy, physical education, health and nutrition, social and emotional development and special events. Learning takes place at BASCOL with a mix of fun and recreation, and field trips are always exciting. BASCOL's professional staff provides a safe and nurturing environment for children to learn and play. BASCOL staff help children grow to their fullest potential by offering choices of a variety of activities.

For more information about the BASCOL program call the BASCOL Administrative Office at 622-4815 or visit [bascol.org](http://bascol.org). BASCOL's mission is to provide every child in grades K through 6 with the best possible before and after school program.
